***Re: In the Matter of the Provision of Basic Generation Service for the Period  
Beginning June 1, 2021  
BPU Docket No. ER2003019***

Dear Secretary Camacho-Welsh:

This letter is being submitted on behalf of the Retail Energy Supply Association (“RESA”). In order to fully review the EDC’s Proposal, in the above captioned proceeding and in particular the proposal to transfer responsibility of transmission payments for just the BGS suppliers to the EDCs, RESA will not submit Initial Comments in above caption proceeding. However, RESA reserves the right to submit Final Comments on October 4, 2020 in response to other parties Initial Comments and testimony at the Legislative-style hearing.

Consistent with the Board’s Order dated March 19, 2020, in Docket No. EO20030254 temporarily waiving certain requirements for non-essential obligations, we submit these documents via electronic filing only.

Very truly yours,
