NEW YORK STATE PUBLIC SERVICE COMMISSION
PARTY STATUS REQUEST FORM

If you wish to become a party, fill out this "Party Status Request Form" OR use the Department's web interface. A separate request for Party status will be required for each proceeding. Only one form per party is necessary. Additional representatives of a party can be added informally, via an e-mail to the ALJ or Secretary, or by use of the "Party Representatives Form" if desired. To remove or substitute representatives on the Party List, the "Party Representatives Form" is required.

Case No.:	<u>22-E-0064</u>
Case Title (short reference):	<u>Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Consolidated Edison Company of New York, Inc. for Electric Service</u>
Date of Request:	<u>February 25, 2022</u>

Name of Party (This MUST be filled in. If you are an individual representing yourself, please so indicate):	<u>Retail Energy Supply Association</u>
---	---

Your Name:	<u>Megan E. Baroni</u>
Title:	<u>Partner</u>
Firm/Company/Organization, if applicable:	<u>Robinson & Cole LLP</u>
Mailing Address:	<u>1055 Washington Boulevard</u> <u>Stamford, CT 06901</u>

E-mail Address:	<u>mbaroni@rc.com</u>

Please state here the nature of the party's interest in the case, including, if applicable, how the party's participation might contribute to the development of a complete record or is otherwise fair and in the public interest:

The Retail Energy Supply Association (RESA) is a non-profit organization and trade association that represents the interests of its members in regulatory proceedings in the Mid-Atlantic, Great Lakes, New England, and New York regions. RESA members are active participants in the retail competitive markets for electricity and natural gas, including the New York markets. Several RESA member companies are energy service companies (ESCOs) eligible to serve customers in New York and are presently providing service to New York customers in the Consolidated Edison Company of New York, Inc. (ConEd) service territory.

As part of this case, ConEd proposes investment in New Customer Service System and Customer Data and Analytics and is seeking funding to replace its Retail Access Systems. ESCO access to timely and accurate customer data and to the retail access systems of the utilities are necessary for the success of the retail energy markets. Thus, RESA members will be directly affected by ConEd's proposed investments, and RESA's participation in the proceeding is just and reasonable. Further, given the experience of its members in New York and in the development of data access systems in other states, RESA's participation will contribute to the development of a more complete record.
